

BAJA SAE® ARIZONA

EVENT LOCATION:

Marana Pumpkin Patch
14950 N Trico Road
Marana, AZ 85653

EVENT DATES/TIMES:

May 1st – 8:00 AM – 7:30 PM
May 2nd – 7:00 AM – 7:30 PM
May 3rd – 7:00 AM – 7:30 PM
May 4th – 7:00 AM – 5:30 PM

SITE ACCESS

Absolutely NO early site access. Enter site from Trico Road only, no other entry points will be allowed. We strongly advise that teams access the site from I-10 via Pinal Airpark Road. There are other access routes but they all require multiple turns, stops signs etc. not ideal for trailers.

Do not block the site entrance prior to the opening time on any day to ensure all volunteers and sponsors can arrive without any issue.

If a team chooses to arrive prior to 8am on Thursday they should stage along Hardin Road only. Do not stage along Trico Road as it is narrow and just north of the event site is an active construction project. It is the team's responsibility to determine the best area to stage, turn around, etc. on Hardin road.

This year we are fortunate to have the Team Pit area directly adjacent to the normal vehicle parking area so teams that are bringing water, food etc. for use in their pits will have a short walk. Please follow all signs and volunteer directions when loading in the trailers and do not ask to follow your trailer vehicle to drop anything off.

FACILITY INFORMATION

The event site is part of a large multi-use facility that includes numerous buildings and areas and is located on a working farm. The event areas and buildings that we will be using will be clearly marked. Please stay within the event boundaries and **do not wander on to other areas of the property**. The facility owners have been very helpful and supportive of this event, please do not do anything to jeopardize our relationship with them. Please, please, please keep your pit areas tidy and pick up your trash, we will have plenty of trashcans and a dumpster easily accessible.

Note there are several drainage ditches used to transport water within the boundaries of our competition area, use caution around them. Additionally, there may be farm equipment driving or working during the competition, please stay away from any working equipment. All students should keep out of the dynamic areas on Thursday and Friday as course prep may still be going on.

- Absolutely **NO** smoking on site
- Absolutely **NO** alcohol on site
- Cooking/grilling anywhere on site is not allowed

BAJA SAE® ARIZONA

WEATHER

- The weather has been somewhat erratic this spring so please check the most recent forecasts prior to traveling.
- As of now expect the temperatures to be near 90 but they can easily be higher
- This area can be breezy if any type of weather does come in that week
- Dress appropriately for daily temperature.
- The AZ sun can be brutal, so please protect yourself. Hats, Sunscreen and long sleeve lightweight shirts are your best means of protection
- Drink plenty of water!

If you have any questions during the event please find anyone of the Organizers or SAE staff.

Enjoy the event and Good Luck!
