

For the 2019 Baja California event the organization group is providing food to the students on a preorder basis. The location of the static and dynamic events is very far from any restaurants and you cannot use any grilles on-site. To help make things easier for students we are providing 4 meals as shown below for just **\$20 per person** or you can buy just tickets for the meals you want.

To provide you this amazing deal the local event organization and SAE are subsidizing a portion of the meal cost. To eliminate waste and provide exactly the correct number of meals and to spend the money effectively we are requesting that you purchase your tickets in advance. We plan to have **no onsite ticket sales** for meals so you will be responsible to drive to get your own food.

Please assist us by doing the following:

Review the meals below and have one member per team order the tickets by emailing the bajasaeca@gmail.com. You will then be sent a single PayPal invoice which you will need to pay within 7 days. All orders must be received by May 2nd so food can be ordered in time.
